

Cars Junior Junction 1st Birthday Banner

1. Print out each page of the banner printable on regular paper or card stock.
2. Cut out each flag and decorative element along the thin gray line.
3. Arrange the flags and decorative elements in the appropriate order – use the image below as a guide.

Note: It will be helpful to do this on a table where you can easily lay out the pieces.

4. Cut a piece of string or twine to match the length of the banner. You'll want to leave a few extra inches of string at each end.
5. Attach the flags and decorative elements to the banner using tape or paper clips.
6. Once assembled, hang the banner with tape or push pins.
